

07:38 Don M: gm ... can't believe this thing traded to 1308 at 3am!  
 07:38 Don M: slept right thru it  
 07:39 Jellie1: hey Don  
 07:40 Jellie1: yeah I didn't get up that early myself - hour earlier here so that was at 2 a.m. for me  
 07:40 Don M: talk about the pjo of the year  
 07:40 Don M: oh well  
 07:41 Don M: guess we'll have to grind it out  
 07:41 Jellie1: y  
 07:53 Jellie2: gm, the early bird getting early now  
 08:55 Jellie1: news in 5 minutes  
 09:07 Don M: ok boys, what'll it be  
 09:08 Jellie2: open looking nml, so want to see some movement  
 09:09 Jellie2: tub the bigger tf's  
 09:09 Don M: yea  
 09:10 Jellie1: MATC - oscillations have been playing out overnight, will watch for continuation clues post-open. Will TUB long 0-2 area (PLOD, ON Low, Weekly Pivot) on first approach with confirming divergences. Will TUB short 8-10 area (ON High, previous support turned resistance, POC, VAL

Single) on first approach with confirming divergences. Will also be watching for first positive and negative TICK extreme to fade.  
 09:10 Don M: closed on the 120 min 15ma  
 09:11 Don M: like he said  
 09:11 Don M: Jellie1's previews are simply incredible  
 09:11 Jellie1: thanks  
 09:29 Don M: nml open  
 09:31 Jellie1: y  
 09:34 Jellie3: consumer confidence top o the hour, this open looks sloppy  
 09:37 Jellie1: would like to see one more strong push down to 1300 area -with neg Tick extreme and divergence  
 09:38 Jellie4: y, decent air on 5 and 15  
 09:39 Jellie1: will be my PJO if we get the setup  
 09:39 Don M: L  
 09:39 Don M: 275  
 09:39 Don M: td  
 09:40 Don M: will scr and reenter on weaknesses  
 09:43 Don M: the old take out the low and pop trick

09:49 Don M: final fund buy scale with 1%ish risk  
 09:49 Don M: fwiw  
 09:49 Don M: 1290ish reassess point  
 09:55 Jellie1: news in 5 minutes  
 09:56 Don M: hmmm NQ diverging to upside today  
 09:57 Don M: vs yesterday  
 10:00 Jellie3: # basically even, non event  
 10:01 Don M: git up  
 10:02 Don M: PPT at 1300 for now  
 10:02 Don M: 120 double premi there too  
 10:02 Don M: or slightly below  
 10:02 Don M: vix pause and turn  
 10:04 Jellie1: VOLD strong long too  
 10:05 Don M: let me know if you'd rather me not discuss LT stuff ... just pretty clear with 1% risk below 1290 and should VIX get back above 20 ... thoe are my lines in sand as we're full-in with those reassess points  
 10:05 Don M: VIX!  
 10:05 Don M: oops  
 10:05 Don M: bad tick  
 10:06 Jellie3: did it on mine also  
 10:08 Don M: NQ strong  
 10:08 Don M: may be the reverse clue vs yesterday  
 10:08 Don M: anyone feel like a 15 short?;  
 10:09 Don M: 7-8?  
 10:09 Jellie3: was red for a minute but neautral leaning green now  
 10:09 Don M: cups on 240 and day longer term if 1300 holds  
 10:09 Jellie1: like 8-9 short  
 10:09 Don M: yea  
 10:09 Jellie1: if we get there  
 10:10 Jellie4: if it runs, should be good  
 10:10 Don M: looks like other funds bought that as well  
 10:10 Don M: geesh  
 10:11 Don M: NQ back above b/d level from yest PM  
 10:12 Don M: 5 min cup with 120 POLR vs 15 and prior b/d level for ES down  
 10:16 Don M: sh 775  
 10:16 Don M: TMAR

10:25 Don M: nw  
 10:27 Jellie1: soh here - waiting for IB to close  
 10:28 Don M: 15 vs 120  
 10:28 Don M: could get some pingpong but I'll likely lean on the 5  
 10:29 Jellie4: y, not much selling up here so far  
 10:29 Don M: double prem here though on ES still  
 10:30 Don M: L on pb  
 10:30 Don M: 5 cuppy  
 10:31 Jellie1: 8.00 point IB  
 10:31 Don M: 3lb stop  
 10:31 Don M: git  
 10:32 Don M: yea  
 10:33 Don M: need tick pop  
 10:33 Don M: prior day low temp resist  
 10:33 Don M: emphasis on temp I think but mkt will tel  
 10:33 Don M: tub says it will stall at least  
 10:34 Don M: watch tick  
 10:34 Don M: possible tri  
 10:34 Jellie2: tick does not want to get under 0  
 10:36 Don M: conflict city  
 10:36 Don M: lots of cross currents here  
 10:37 Don M: lets see what selling works itself off  
 10:41 Don M: reentered L 600 5 min 15ma prem stop now  
 10:41 Don M: cup premnise  
 10:41 Don M: touch call here though  
 10:42 Don M: tough  
 10:42 Don M: pick a tf  
 10:42 Jellie1: y  
 10:42 Jellie1: vold and vix both in pause mode  
 10:42 Jellie4: coin flip  
 10:42 Don M: gut feel ... which of course could be wrong  
 10:42 Don M: lol  
 10:43 Jellie4: DMI  
 10:43 Don M: yea kinda  
 10:43 Don M: just strong off the bottom  
 10:43 Don M: IAGD needs to kick in  
 10:43 Don M: watching  
 10:44 Don M: coiled  
 10:45 Don M: added on tiny tail

10:45 Don M: come on  
 10:45 Don M: gut says this pays  
 10:46 Don M: 500 stop now  
 10:46 Don M: pushing  
 10:47 Don M: should break ib  
 10:47 Jellie3: tick was screaming BUY ME  
 10:47 Don M: scaling as always  
 10:47 Don M: one foot on gas one one brake  
 10:47 Don M: gas is heavier  
 10:48 Don M: lunch on me if no ib break  
 10:48 Don M: 1 tick break?  
 10:48 Don M: oh come on  
 10:50 Don M: 3lb not convinced yet  
 10:50 Don M: still holding  
 10:50 Don M: (me)  
 10:51 Don M: 3lb  
 10:51 Don M: think we see 10  
 10:51 Don M: ish  
 10:52 Don M: probe ib only  
 10:52 Don M: ok  
 10:53 Don M: mkt is as mkt does  
 10:53 Jellie4: TD on the last try  
 10:53 Don M: y  
 10:54 Don M: was 2.5 off the cup handle  
 10:54 Don M: got a bit greedy  
 10:54 Jellie1: lots up there from a market profile perspective, fwiw  
 10:55 Don M: yea, I pushed it too aggressive  
 10:55 Don M: but still ok  
 10:56 Don M: let's keep eye on this into midday  
 10:56 Don M: POLR seems up off that 120  
 10:57 Jellie3: almost symmetrical from the open today.  
 10:57 Don M: I was just probably pissed about missing the 3am short  
 10:57 Don M: but not giving up on bias  
 10:59 Jellie1: pace much better today than yesterday  
 11:00 Don M: 5 curling  
 11:02 Don M: bias strong for me on this ... may just take time  
 11:02 Don M: or stubborn  
 11:03 Don M: one of the 2  
 11:03 Jellie3: with ya  
 11:03 Don M: offering 950 & 75  
 11:04 Jellie3: final is same  
 11:04 Don M: vix ticking dn

11:04 Don M: buying lunch and dinner if I don't get filled at 950  
 11:05 Don M: squeeze 'em  
 11:06 Don M: just like that 5 min curl  
 11:06 Don M: NQ better push  
 11:06 Don M: trading the wrong mkt  
 11:06 Don M: lol  
 11:07 Don M: should have traded the antelope and not the turtle  
 11:08 Don M: got it  
 11:08 Don M: 1st in line  
 11:09 Don M: too strong a pattern  
 11:09 Don M: cups evolving on multiple tfs  
 11:10 Don M: one more push, come on  
 11:10 Don M: tick 1K would be nice  
 11:10 Don M: but got the exit we wanted  
 11:10 Jellie3: :)  
 11:11 Jellie3: still holding a crumb, gonna add soon  
 11:11 Jellie3: trying for 8.25  
 11:11 Don M: think I'm done onthis one  
 11:11 Don M: aside from LT stuff  
 11:12 Don M: POLR off that bottom in tact as long as the 5 holds though  
 11:12 Don M: and vix helping  
 11:12 Jellie3: she accelerates through 10 even, it's workout time lol  
 11:13 Don M: some air on 5 now she's come so far  
 11:15 Don M: think you'll get it Jellie3  
 11:15 Don M: no capitulation yet  
 11:15 Jellie3: she's tryin  
 11:15 Don M: might be 3pm though ;-)  
 11:15 Jellie3: lol  
 11:15 Don M: hold that workout  
 11:15 Don M: air up here  
 11:16 Jellie3: I'm tempted to open this target up, is she breaks this 10-11 area we could make a new daily support level  
 11:17 Don M: transitioning thru the b/d level from yesterday and 15/60  
 11:17 Don M: so murky not unexpected  
 11:17 Don M: breathing heavy up

here  
 11:18 Jellie3: watching the 5 min tick to hold the -150ish low  
 11:18 Jellie3: sorry 220ish  
 11:19 Jellie3: -220  
 11:22 Jellie3: well they took 79 of 5k at .75 haha  
 11:23 Don M: nice Jellie3  
 11:23 Jellie3: flat, ty :)  
 11:23 Jellie1: sqeeeeeze  
 11:23 Jellie1: wtg Jellie3  
 11:23 Jellie3: ty  
 11:24 Don M: checking my fund buys ... missed the low on IVV by .09 ... gonna have to work on that  
 11:27 Don M: very nice trading and eyes today gang  
 11:27 Don M: wtg
