

## Trading After Dark Community Overview

### Mission:

Provide a highly unique supportive team forum for traders primarily outside of U.S. daytime trading hours emphasizing daily market assessments, inter-continental transition opportunities, and peak performance attainment.

### Objectives:

- Create an environment of like-minded aggressive traders
- Strengthen & encourage each other (Iron sharpens Iron)
- Hold each other accountable and to the highest standard
- Review preceding U.S. RTH session
- Brainstorm & plan potential Asia – Europe – Next Day U.S. transition opportunities
- Primarily focus on U.S. & Europe equity indices (Initially)
- Provide group text, audio, video, and smartphone conferencing capability
- Consider periodic single-issue topic discussions
- Provide a network for pursuit/communication of best practices & optimal trader tools
- Keep participation fees affordable to respect trader overhead budgets & maximize trader profitability including discounts/waivers for past effort participation
- **Please note this is not a typical “chatroom” ... rather a networking mechanism in the spirit of a virtual trading prop shop for a select group of serious and aggressive traders.**

### Initial Site Times & Specifics:

- Room open Sunday 5pm U.S. ET through Friday 5pm U.S. Eastern Time
  - o 6:30pm-7:15pm ET Mon-Thurs live video and audio market recap and overnight assessment facilitated by Don Miller
  - o 7:15pm-8:00pm ET Mon-Thurs brainstorming, trader troubleshooting, and open discussion
- Team dialogue, sequence sharing, and other teamwork as warranted during trading hours.
